KORONA POS

The most reliable and fast point of sale solution designed for convenience stores.

Meet
KORONA POS.

Developed by Combase USA, KORONA POS is a cloud-based point of sale software with a wide range of advanced features built to meet the needs of convenience store businesses. Our all-in-one solution is customizable, reliable, and easy to use. It's suited for high-volume retailers, from mom-and-pop shops to enterprise chains and franchises.

COMBASE | **KORONA POS**

> **"Once the decision was made to switch over, everyone was very helpful in helping us to figure out how to get everything from our old c-store system into the new one. This made the transition smooth and easy on the staff.**

Clark M.

Cloud-based
Software

KORONA POS is a cloud-based point of sale solution that enables businesses to manage their sales and transactions efficiently. Remotely access the point of sale and back office system, **KORONA Studio** for complete flexibility and convenience.

▶ **And more!**

Convenience Store
Point of Sale Features

Age Verification

Set up automatic age verification prompts on every transaction to ensure that each cashier is following all ID verification laws or best practices

Theft and Security

Prevent loss and theft by setting customizable security features. Lock price changes, view cashier actions, voids, no sale tenders, and more

Build Loyalty and CRM

Build customer loyalty and improve customer relationships with customizable point programs and industry-specific CRM integrations

In-Depth Reporting and Metrics

Access comprehensive data and analytics in real-time to make data-driven decisions and optimize business performance through valuable insights

Simplified Employee Management

Easily schedule shifts, track hours, and manage employee permissions

Franchise and Multi-location Compatibility

Expand and scale retail operations while efficiently managing multiple locations or franchises from a single system

Seamless Integrations

KORONA POS partners with various integrations to provide a more seamless and streamlined operational workflow

Special Pricing and Promotions

et up coupons, bundled deals, promotions, cash breaks, and mix & match, that are automatically reflected in reporting and any eCommerce channels

Fast Transaction Speeds

Keep checkout lines moving fast. Process transactions quickly and efficiently, reducing customer wait times and improving overall customer satisfaction

Complete Advanced Inventory Management System

KORONA POS offers the most powerful and sophisticated inventory management system for convenience stores.

Import Products
Simply import large product databases quickly for all inventory and vendors as well as into new store locations or franchises

Order Level Optimization
Analyze and recalculate ideal reorder levels based on purchase history, seasons, and trends. Optimize order levels for each product within seconds

Handheld Inventory Tracking
Make counting inventory quick and efficient throughout the year with handheld scanners and real-time inventory counts

Inventory Mobile App
Avoid spreadsheets and complicated imports by performing counts directly from the point of sale or via the KORONA POS inventory mobile app

Automatic Ordering
Never run out of inventory, set automated order placements based on product par levels and avoid stockouts entirely

Consolidated Product Database
With multiple stores, be able to manage and organize all inventory with just one consolidated product catalog

Stock Notifications
Get custom notifications and updates on low, over, and out-of-stock levels to help plan ordering and promotions
Partners and Integrations

KORONA POS seamlessly integrates with some of the leading software services for ticketing and event businesses.
