KORONA POS

A dynamic and reliable point of sale solution designed for quick service restaurants

Meet
KORONA POS.

Developed by Combase USA, KORONA POS is a cloud-based point of sale software designed to cater to the unique needs of quick-service restaurants. The all-in-one solution is customizable, reliable, and user-friendly. With KORONA POS efficiently manage tables, service, placing orders, check splitting, and more.

COMBASE | KORONA POS

“

Its scalability and its ability to serve multiple business line items are amazing. KORONA POS has been the only bakery software solution we’ve seen that can handle the flexibility we need. We can handle all of our business from one dashboard and diversify our business line items.

Clark M.

Cloud-based **Software**

KORONA POS is a cloud-based point of sale solution that enables businesses to manage their sales and transactions efficiently. Remotely access the point of sale and back office system, **KORONA Studio** for complete flexibility and convenience.

KORONA Studio

Gain complete control over event and retail operations with an intuitive, user-friendly back office, KORONA Studio.

- **Monitor business performance in real-time**
- **Manage employee permissions**
- **View individual or multiple locations**
- **Advanced inventory management**
- **Track sales and revenue metrics**
- **And more!**

QSR Point of Sale Features

Age Verification

Set up automatic age verification prompts on every transaction to ensure that each cashier is following all ID verification laws or best practices

Theft and Security

Prevent loss and theft by setting customizable security features. Lock price changes, view cashier actions, voids, no sale tenders, and more

Build Loyalty and CRM

Build customer loyalty and improve customer relationships with customizable point programs and industry-specific CRM integrations

In-Depth Reporting and Metrics

Access comprehensive data and analytics in real-time to make data-driven decisions and optimize business performance through valuable insights

Simplified Employee Management

Easily schedule shifts, track hours, and manage employee permissions

Consolidated Product Database

With multiple stores, be able to manage and organize all inventory with just one consolidated product catalog

Franchise and Multi-location Compatibility

Expand and scale retail operations while efficiently managing multiple locations or franchises from a single system

Seamless Integrations

KORONA POS partners with various integrations to provide a more seamless and streamlined operational workflow

Special Pricing and Promotions

Set up coupons, bundled deals, promotions, cash breaks, and mix & match, that are automatically reflected in reporting and any eCommerce channels

Fast Transaction Speeds

Keep checkout lines moving fast. Process transactions quickly and efficiently, reducing customer wait times and improving overall customer satisfaction

Advanced Inventory Management System

Complete inventory management system for products and food inventory.

Streamline **Quick Service Resturant** Operations

One point of sale for taking orders, ticket numbers, table service and merchandising.

Do more with KORONA POS by being able to manage the floor and ensure servers can keep track of their guests. Even sell branded products!

Partners and Integrations

KORONA POS seamlessly integrates with some of the leading software services for quick service restaurants.

bLoyal

Best customer service of all time. I have worked with many POS systems as an employee and know the frustration you sometimes experience. Now, as an employer, I value perfect customer service even more. KORONA POS is very easy to set up and simple to use. ***-Anna L.***
