

“

KORONA POS has been a huge upgrade for our shop. The inventory management ensures we never run out of our most popular items and we love pulling reports to see our sales. Highly recommend!

Lacuna Kava Bar

“

Our bakery runs so much better after switching to KORONA POS. The system handles can handle our menu with ease, and the reporting tools help us track which pastries are selling the most.

The Pretzel Shack

“

We started using the KORONA system for our cafe, and it's been fantastic. The system is intuitive, and the customer loyalty integration has helped us retain more of our regulars. Our team couldn't be happier!
