DISCOVER WHY
BUSINESSES LOVE USING KORONA POS

KORONA POS has helped thousands of owners and operators run a better business, adding efficiency, insight, automation, and organization.

> "KORONA has made ticketing and admissions a breeze for our coaster. The system is fast, reliable, and handles the peak season crowds. It such a smooth experience between our ticket and merchandise sales."

– Klaus M.
Rocky Mountain Top Coaster

> "Managing our park has never been easier. The system tracks ticket sales effortlessly, and the reporting tools give us great insights into visitor trends. We want to implement KORONA POS at all our locations."

– Jessica W.
Flathead Lake Alpine Coaster

> "KORONA POS has been a fantastic addition to our museum. It handles admissions, gift shop sales, and gift cards all in one place. The KORONA Studio dashboard shows all top reports I like to look at everyday."
