KORONA POS

Retail Features

Simplified Employee Management

Easily schedule shifts, track hours, and manage employee permissions. Streamline your workforce with efficient scheduling and time clock features.

Complete Inventory Management

Effortlessly track and manage your retail products and inventory in real-time, ensuring accurate stock levels and reducing the risk of out-of-stock situations.

Build Loyalty and CRM

Build customer loyalty and improve customer relationships with customizable point programs and robust customer relationship management tools.

Advanced Reporting and Metrics

Access comprehensive data and analytics in real-time, allowing you to make data-driven decisions and optimize your business performance through valuable insights.

eCommerce Integration

Expand sales channels with seamless eCommerce integration. Data from online purchases is fed directly into the POS and broken down with advanced analytics and reports.

Franchise and Multi-location Compatibility

Expand and scale your retail stores while easily managing multiple locations or franchises from a single system, streamlining operations and ensuring consistency.

Fast Transaction Speeds

Keep customers from waiting. Process transactions quickly and efficiently, reducing customer wait times and improving overall customer satisfaction.

Seamless Integrations

KORONA POS partners with various integrations. Seamlessly integrate with other business tools and software, enhancing efficiency and streamlining workflows.

Self-checkout Kiosks

Contactless kiosks reduce lines and the need for cashiers, saving labor and money. KORONA POS can even integrate with RFID technology. for lightning-fast check-outs.

Partners and Integrations

KORONA POS seamlessly integrates with some of the leading software services for liquor retailers.
