

KORONA POS

BY COMBASE

A dynamic point of sale solution
designed for ticketing, event
management, and retail

Meet KORONA POS

Developed by Combase USA, **KORONA POS** is a cloud-based point of sale software designed to cater to the unique needs of museums, theme parks, and event center businesses. The all-in-one solution is customizable, reliable, and user-friendly.

KORONA Event is the dedicated module for event management and admissions. Seamlessly integrated with the KORONA POS retail system, KORONA Event efficiently powers in-person and online ticket sales, event scheduling, CRM, and attendee management.

COMBASE

“

Every question I had, their answer was yes, we can do that. It works very smoothly. Every ticket scans perfectly, every turnstile spins perfectly, every online order works perfectly. Overall, the solution works really, really well.

Klaus from Rocky Top Mountain Coaster

Cloud-based Software

KORONA POS is a cloud-based point of sale solution that enables businesses to manage their sales and transactions efficiently.

Remotely access the point of sale and back office system, **KORONA Studio**, for complete flexibility and convenience.
